

ALB Scoring System, Playoff Scenarios, Tiebreakers

Point System

- 4 points for win
- 2 points for tie
- 1 points for a loss that the game is played
- 0 points for forfeit when a team cannot field a team of at least 9 players

In the event that a game is forfeited due to the lack of players during the game, the following will be calculated: 4 points for winning team. Team runs: 7 runs if it is a seven inning scheduled game; 9 runs if it is a 9 inning scheduled game. For the team that lost by forfeit in this case 1 point is awarded for the loss and 0 runs calculation.

Playoff Scenarios

- Top 8 teams advance to State Tournament
- Top three teams in each of the two divisions [6]
- Next best two teams with top the highest points regardless of division [2]
- See tiebreakers

Bottom 8 teams play in Matson Invitational

Tiebreakers

In case of a tie in points the following tiebreaker system will be used for determining the top 8 teams to advance to State:

1. Two teams tied in points (to be applied in order, once tiebreaker cannot break a tie, the next tiebreaker is used)
 - 1A. Head to head in league games
 - 2A. Fewest runs allowed in league games between two tied teams
 - 3A. Fewest runs allowed in overall league games regardless of number of league games played
 - 4A. Coin toss

2. Three or more team's tied in points (to be applied in order)
 - 1B. Clear cut head to head advantage between 3 or more teams
ie ONE team holds an advantage over EVERY tied team in wins between the tied teams
 - 2B. Fewest runs allowed between all tied teams in league games against each other
 - 3B. Fewest runs allowed in overall league games regardless of number of games played
 - 4B. Coin toss
